

## **Kirloskar Chillers 'Green Seminar for HVAC Consultants & Developers'**

Kirloskar Chillers took yet another important step in reaching out important client base in NCR region, through well coordinated seminar, on 17th February, 2012 at The Lalit,,Delhi. The seminar was organized with an objective to have a close interaction with select group of customers and develop better business relationship with them.

The seminar theme was evolved around LEED-India rating system, its requirements, and various ways to comply LEED requirements, followed by company overview, and products presentation.

Key clients like DLF, Spectral, Limra Consultants, Aurora Consultants, nne Consultants, etc who have attended to it, have appreciated Kirloskar Chillers for the overall arrangements & topics of the presentation. Q&A session after the presentation was quite lively and interactive, throwing light on salient features of chiller products and the heat recovery options.
